

# SCRIPPS OCEANOGRAPHY CLASS OF 2024

## Total Number of Graduates: 324

Female: 219 (68%) Male: 100 (31%)

## Undergraduate BA/BS Graduates: 215

Female: 146 (68%) Male: 67 (31%)

17 BA-ESYS Environmental Policy  
10 BS-ESYS Earth Sciences  
49 BS-ESYS Ecology, Behavior, and Evolution  
3 BS-ESYS Environmental Chemistry  
22 BS-Earth Sciences/Geosciences  
96 BS-Marine Biology  
18 BS-Oceanic and Atmospheric Sciences

## Master of Advanced Studies Graduates: 32

Female: 24 (75%) Male: 6 (19%)

22 MAS-MBC, Marine Biology and Conservation  
10 MAS-CSP, Climate Science and Policy

## Master of Science Graduates: 31

Female: 22 (71%) Male: 9 (29%)

13 Earth Science  
12 Marine Biology  
6 Oceanography

## PhD Graduates: 46

Female: 27 (59%) Male: 18 (39%)

8 Earth Science  
10 Marine Biology  
25 Oceanography  
1 Geophysics Joint Doctoral Program  
1 Marine Biology with Specialization  
in Interdisciplinary Environmental  
Research  
1 Oceanography with Specialization  
in Interdisciplinary Environmental  
Research

Data on non-binary Scripps students is not currently available. UC San Diego has only recently started collecting data on non-binary students and has a plan to make that data available for reporting.
